CONNECTING TO YOUR SPIRITUALITY

For a richer relationship/connection
with your spiritual self

Introductory text as is, no editing needed:

The whole of you is an integration of your physical, mental, emotional and spiritual selves. This list of books has been compiled to support you having a richer relationship/connection with your spiritual self. Check your local library or bookstore for the books that speak to you.

[Note that would like to replace some or all of the books currently in this database with newer, appropriate books in KnowEwell website.]
