

MEET OUR ALUMNI

"I would absolutely recommend Quantum University, the curriculum is amazing. Not only did I learn about Naturopathy, but about Taoist Medicine, Ayurveda, Homeopathy and much more. Everything is explained in a nice format so that you can really absorb the information"

Dr. Tina Prodnik

"Quantum University is not just a University, it is a uniFIED education in which aligns the mind, heart and the soul together, creating a coding system in which a quantum leap can take place"

Dr. Ezzat Moghazy

"I would without a doubt recommend Quantum University for someone who is interested in getting involved with natural medicine. It has absolutely changed my life and has changed many people's lives around me. This is the future."

Dr. Justin Reese

"I believe that Quantum University has one of the most cutting edge programs out there that is really helping doctors create transformation in peoples lives"

Dr. Otilia Tiutin

CLASS OF 2016
(IN-PERSON GRADUATION)

OUR STORY

Quantum University is the world's largest institution of higher learning to provide online degrees and certification programs in holistic, alternative, natural, and integrative medicine based on the science of quantum physics.

Quantum University, established in 2002, now serves eleven thousand students in more than seventy countries with local, international, and multicultural staff, supportive student mentors, and world- renowned faculty members.

Our mission is to build a new future for medicine, one student at a time. We believe that the right to heal belongs to everyone and that learning to practice optimal health will help change today's healthcare system.

“

My objective in creating Quantum University was to put together the missing pieces of the health puzzle into a coherent and practical multidimensional model of Integrative Medicine.

PAUL DROUIN, M.D, I-MD.
President & Founder of Quantum University

At Quantum University, we believe that everyone must be educated in how to heal yourself and heal others. We offer online courses and degree programs in holistic, alternative, natural, and integrative medicine.

This new medical curriculum, designed by Dr. Paul Drouin, qualifies our graduates to become credentialed by many accredited certification boards.

Our education from renowned faculty members is based on quantum physics, the science that provides a model to understand our universe and, therefore, a model to understand healing.

PAUL DROUIN, M.D, I-MD.

Canadian Medical Doctor PhD in Integrative Medicine, author of Creative Integrative Medicine and President and Founder of Quantum University.

STAND WITH US AT THE VANGUARD OF HEALTHCARE

Sharpen your skillset and strengthen your knowledge with Quantum University. Learn how to help heal others through natural and integrative methods, and assist your clients in reaching their maximum health potential.

The continuity of care that Digital Medicine offers allows practitioners to become world-wide facilitators of whole person treatment. Using a combination of remote monitoring and smart technologies, practitioners are able to track and measure their clients health parameters, and initiate one-on-one sessions to provide the right care, at the right time.

With Quantum University, you can become a trained healthcare professional and tap into these innovations that are revolutionizing the industry at a remarkable pace!

Enroll in an inspiring Degree Program with Quantum University to gain access to expert knowledge and best-in-class Digital Medicine Technologies that will prepare you the transformative future of Healthcare.

Quantum University's Current Enrollment Offer:

- ✓ Tuition Savings of up to **\$5,000**
